To Mrs. Ruebush for her years of service and understanding in making our high school days those of success and fun-to her we dedicate this annual hoping that it will show our appreciation for her unfailing guidance. PRINCIPAL'S MESSAGE

Tracking animals is an interesting activity. Side stepping and back tracking and other attempts to throw one "off-trail" are wily maneuvers carried out by tricky animals. But always, there is the trail left by the imprints of the animals feet in the soft ground or snow.

Just so with us as we move year by year along life's trail. Through our activities, our contacts, and our influence we each leave imprints as we go along.

For many individuals the trail through high school is just beginning, for others the end is nearing--back tracking and side stepping is not easy. Our activities, actions, and reactions soon develop into our records. All too soon the years have gone and only imprints remain.

May the impressions made here be the beginning of a happy and successful journey down the long, long trail that is before you. This is the hope of your school for each of you.

JCC SPORTSMANSHIP AWARD

Each year the Rockingham County - Harrisonburg Junior Chamber of Commerce presents the JCC Sportsmanship Award to representatives of the six area schools. The recipients are awarded plaques in recognition of their outstanding sportsmanship and leadership qualities displayed during their high school careers. The two previous winners from Montevideo were Bill Blose in 1956 and Chip Strickler in 1957. This year's winner of this award from Montevideo is Mike Hinkle. From the administration, student body, and friends, we say, "Congratulations, Mike."
